

# Starting Today, Starting Over

Kenny Rogers

You're the first one I thought of  
But the last one I turn to  
I wouldn't bother you but I need help.

We were so good back then  
There must be something loved  
You said you'd always stand by me.

Can I lean on you now after all that we've been through  
Did we throw it all away?, is it gone?  
Do you need me somehow, is there something I can do?  
Can we try another way?  
Starting today, starting over.

You used to believe in me,  
The thought of what used to be  
I wish you could see how much I've changed

It took a lot of time  
For me to realize  
I just can't make it on my own.

Can I lean on ...
