

# The Heart of the Matter

Kenny Rogers

Real love is the only thing I know  
Teh changes of everything at touches  
It gets you and it's gentle clutches  
But that's not really the heart of the matter

Everybody, every now and then  
We'll say that they can use  
Some side of two  
Even though you're setting  
Kind of roam  
That's not really the heart of the matter

I think I'm really the heart of the matter  
Isn't it natural going away to think I'll be alone  
I think of you  
Your love for me is gone  
I think that's really the heart of the matter after all

Darling, I know every now and then  
some nights I lay really easy on my mind  
You might hold your billow in my cry  
That's not the heart of the matter
