## The Wind Beneath My Wings

**Kenny Rogers** 

It must've been cold there in my shadow To never have sunlight on your face You've being content to let me shine You always walked a step behind.

And I was the one with all the glory You were the one with all the strength Only a face without a name I never once heard you complain.

Did you ever know that you're my hero And everything I would like to be I can fly higher than an eagle For you are the wind beneath my wings.

It might have appeared to go unnoticed But I've got it all here in my heart I want you to know I know the truth I would be nothing without you

Did you ever know that you're my hero And everything I would like to be I can fly higher than an eagle For you are the wind beneath my wings.
