

# The World Needs A Melody

Kenny Rogers

Every now and then  
When the world steps in  
Stealin' all our time away

It soon takes so much  
We forget to touch  
That's when I know  
It's time for me to say

Take my hand  
Let's walk through love's door  
And be free  
From the world once more  
Here's my heart  
We can hide today  
And love the world away

Once again we'll be  
Where our hearts are free  
And the time is ours to share

Love will always stay  
Just a touch away  
Come with me  
All the magic's waiting there

Take my hand  
Let's walk through love's door  
And be free from the world once more  
Here's my heart  
We can hide today  
And love the world away  
We can love the world away
