I don'DDt have to guess who I'DD11 see
I haven'DDt been lonely
Since the first time we met
Now I know I'DD11 never be.

'DDcos I really care about you And you really care about me And there lies the difference Between now and when I was free. This time love won'DDt go away The future'DDs so easy to see And there lies the difference Between now and what used to be.

There' $\square\square$ s no substitute for the truth And I know you come straight from the heart And our love stands out in the light of the day Not only in the heat of the dark.

'□□cos I really care

As far as when you came to me.

And this time love won' \square \square t go away The future' \square \square s so easy to see And there lies
