

There You Go Again

Kenny Rogers

There you go again
You take my breath away
The way you look just then
Moves me more than words can say

Just about the time I think
I couldn't love you any more
Well then there you go again

You're still amazing me
I shouldn't be surprised
You think I know by now
But you get me every time

The love you give
Your tender kisses
Take me places I have never been
There you go again

There you go
How'd you now
Sometimes it's like
You almost read my mind
Just when I need you most
There you go again

There you go
How'd you now
Sometimes it's like
You almost read my mind
Just when I need you most
There you go again

You know it's hard for me
To tell you how I feel
I want you in my life
And I always will

No one else can touch you
When it comes to loving me
The way you can
There you go again
