

# Today I Started Loving You Again

Kenny Rogers

Well, today I started loving you again  
And I'm right back where I've really always been  
I got over you just long enough to let my heartaches mend  
Then today I started loving you again

What a fool I was to think I could get by  
With only these few million tears I've cried  
I should have known the worst was yet to come  
And that crying time for me had just begun

Well, today I started loving you again  
And I'm right back where I've really always been  
I got over you just long enough to let my heartaches mend  
Then today I started loving you again

I got over you just long enough to let my heartaches mend  
Then today I started loving you again
