

## Together Again

Kenny Rogers

Together again - my tears have stopped falling.  
The long lonely nights - are now at an end.  
The key to my heart - you hold in your hand,  
And nothing else matters now - we're together again.

Together again - the grey skies are gone.  
And you're back in my arms - right back where you belong.  
The love that I knew - is living again.  
And nothing else matters girl - we're together again.

Together again - my tears have stopped falling.  
You're back in my arms - and we're together again.
