

## What I Did for Love

Kenny Rogers

Everybody's heart is torn and tattered  
Mine was not designed for giving up  
'cos all I've ever done that really matters  
It's what I did for love.

So count me with the wound and the shaking  
Even when I'm barely standing up  
I've tried to offer more than I have taken  
It's what I did for love.

What I did for love, what I did for love  
And I hope that you can see  
All that love they've done for me

And when they sit and list the reasons I've existed  
I'm afraid it won't add up to very much  
'cos I've gathered all I had and gladly rested  
that's what I did for love.

What I did for love, ...

Some day I'll make silently surrender  
This old heart has finally had enough  
But I hope that I will always be remembered  
For what I did for love.
