

# When You Put Your Heart In It

Kenny Rogers

We knew it was one in a million  
It was such a long shot  
Somehow we've got here together  
And who knows what will happen  
Anything can happen  
If we keep getting better  
And we keep on believing.

When you put your heart in it  
It can take you anywhere  
Who's to say that we can't make it  
It's the same dream that we share  
When you put your heart in it  
It can take you anywhere.

This road was so long and winding  
It was such a hard road  
But we can't stop once we had started  
We were always getting closer  
Suddenly it happens  
A chance in a lifetime  
Now we're gonna take it  
We can make it.

When you put your heart in it
