

Write Your Name (Across My Heart)

Kenny Rogers

I can't help smiling when I look at you,
To keep from going crazy is all I can do.
I'm so defenseless with you so close,
The walls have crumbled from my body and soul.

Write your name across my heart.
I want the world to know that I am yours forever.
And I will wear it like a shining star.
Write your name across my heart.

To you my life is an open door.
Everything I have is yours.
I'll try to give you everything you need,
But as far as love goes, there's a life-time guarantee.

Write your name across my heart.
I want the world to know that I am yours forever.
And I will wear it like a shining star.
Write your name across my heart.

In all my thoughts, in all I do, in all I say,
I belong to you with every breath I take....

Write your name across my heart,
I want the world to know that I am yours forever.
And I will wear it like a shining star.
Write your name, across my heart.

And I will wear it like a shining star,
Write your name across my heart.
Across my heart.
Across my heart.
