

# You Were A Good Friend

Kenny Rogers

If I closed my eyes it didn't hurt quite so bad  
'cos tonight I've just lost the best friend I've ever had  
You were a maverick running all away from New Orleans  
We'd tell stories 'round the campfire late at night  
When it was down to just you and me.

Good friend, why did you have to go?  
Just when I was getting to know you  
I'll sing this song to show  
You were a good friend  
They don't make 'em quite like you  
And in my memory  
You'll always be a good good friend to me.

You said I got a home, boy  
Haven't seen it for so long  
Said I'm going home, boy  
My work is done  
I can feel it in my bones.

Good friend, why did you .....
