

Slow Ride

Kenny Wayne Shepherd

Well it's warm inside
Lets take a midnight ride
I wanna show ya
Ya really show ya
It's an open road
Let's seee how far it goes
I wanna show ya
Ya really show ya

High flyin low
Dont you wann go
On that slow ride

It's cold outside
But there's fire in your eyes
I wanna hold ya ... let me hold ya
Wont lose my nerve
On those dangerous curves
When we get rollin.. really rollin

High flyin low
Dont you wanna go
On that slow ride

Slide on in dont stop to sleep again
Lets get moving ya really movin
Wont ya hold on tight we can make it all night
Lets get movin ya really movin

Well i said high flyin low
Dont you wanna go
On that sloooooooooowwwwwwww ride
