

What's Gotten Into Us

Kensington

Say, are you willing to go? Taking chances on a different side
Explore the unknown So, are you ready to show? Some affinity with
th imminent change That's still to unfold When you analyse and
read between the lines Desertion as desired Is nothing less than,
n, less than nothing So, are you planning on a permanent goodbye?
e? But right now you're still here In the darkest hour you will
hit the lights Before you disappear Say, are you eager to know?
Can you manage with a limited mind? Will you manage in these
cynical times? When you analyse and read between the lines Deser
rtion as desired Is nothing less than, less than nothing So, are
e you planning on a permanent goodbye? But right now you're sti
ll here In the darkest hour you will hit the lights Before you
disappear When living in disguise For raising questions Then li
ving's lost its life And how to leave is all there's left to kn
