Reward me now
With high demands
And clean dry skin
An even tan
Reward me now
And shake my hand
A leadership
A high command
Like an empty colourslide
I'm black and white inside
No brilliance here to hide away
I overdosed this time
On pure adrenaline
I'm deaf and dumb and blind
Reward me now
With a high-tech life
A widescreen dream
No cellulites
Reward me now
With a Concorde flight
In clean dry air
Low fat light
Like an empty colourslide
I'm black and white inside
No brilliance here to hide away
I overdosed this time
On pure adrenaline
I'm deaf and dumb and blind again
Like an empty colourslide
I'm black and white inside
No brilliance here to hide away
I overdosed this time
On pure adrenaline
I'm deaf and dumb and blind
