

## Ending Song

Keren Ann

Sunny day, no one's here  
In the morning rain, there's no clouds  
And I hear, "Follow me, follow me  
Follow me, follow me"

Sunny day, no one's here  
In the morning rain, there's no clouds  
And I hear, "Follow me, follow me  
Follow me, follow me"  
And I hear, "Follow me, follow me"

Follow me, follow me  
Follow me, follow me

Follow me, follow me  
Follow me, follow me

Follow me, follow me  
Follow me, follow me
