

Ending Song

Keren Ann

Sunny day, no one's here
In the morning rain, there's no clouds
And I hear, "Follow me, follow me
Follow me, follow me"

Sunny day, no one's here
In the morning rain, there's no clouds
And I hear, "Follow me, follow me
Follow me, follow me"
And I hear, "Follow me, follow me"

Follow me, follow me
Follow me, follow me

Follow me, follow me
Follow me, follow me

Follow me, follow me
Follow me, follow me
