Keri Hilson

Stop, now let me see your booty drop If you think your impressin' us with your ice and your dub Poppin' bottles in the club, get your money up 'Cause I ain't your average girl, I've been all around the world With your boy wanna wow me, get your money up Get your money up boy, get your money up I wanna see somethin' bigger than a Hummer truck Get your money up boy, get your money up You gotta throw somethin' bigger than a hundred bucks Now slide, slide one of them black cards If you got it then show me how you're gettin' it Diamonds a girl's best friend, you can provide them Might even have to fool while your hittin' it When you see me in my days blow a whole lot of change Tell your boy don't get jealous, get your money up And if you don't like us, there's nothin' to discuss We don't even give a fuck, get your money up Get your money up, get your money up Stop playin' with yourself, get your money up Get your money up, get your money up (Stop, now let me see your booty drop) If you're tearin' the bar down with all the fly woman And still livin' with your momma, get your money up Ridin' big whips, can take care of your kids Why you lookin' at me? Get your money up When I'm up in the club, you know how we roll Them bottles pop, nonstop You up in Hollywood, you know how we roll Stop, now let me see your booty drop Get your what I'm talkin' about, I don't wanna hear your mouth You need to put some money down, or get your money up Why you invadin' my space? Why you get up in my face? I ain't got nothin' to say but get your money up Get your money up boy, get your money up Know you wanna see somethin' better than them autobus Get your money up boy, get your money up You know my bottle cost more than a hundred bucks Get your money up, get your money up (Stop playin' with yourself) Get your money up Get your money up, get your money up (Stop, now let me see your booty drop) Okay now slide, slide one of them black cards If you got it then show me how you're gettin' it Diamonds a girl's best friend, if you can provide them I might even have to fool while you're hittin' it Now grind, grind get yourself some big money And don't forget about me when you're spittin' it But if you ain't gon' pay don't be screamin' out hey girl (Wait, now let me see your booty drop) Now slide, slide one of them black cards Make the Pacific ocean be part of my backyard If you ain't gon' pay, don't be screamin' out hey I'm an independent honey, I get money all day Now slide to your bank account, all the cash throw it out If you ain't yellin' diamonds and dollars, I gotta walk it out Know what I'm talkin' about? You steppin' to the baddest

Got millionaires standin in line wishin they had this Take me to Paris, buy 100 carrots, Christian Louboutin boots Bags and more carrots, you on average, or at least the wrong section My girl need some checks so he headin in our direction Get your money up, get your money up (Stop playin' with yourself) Get your money up, get your money up Get your money up (Stop, now let me see your booty drop) I know that's right, Keri, your girl KC, and Trina They gon' hate on this one right here, let's go Now get your money up, get your money up Get your money up, we don't like them broke boys We don't like them broke boys
