

One Night Stand

Keri Hilson

[Keri Hilson]

Men go slow

[Chorus]

You should stay another night with me.

Oh woahh.

A one night stand is all I need.

Just you and me.

You should stay another night with me.

Oh woahh.

A one night stand is all I need.

[Keri Hilson]

Tell me how you like it baby. (Tell me how you want it baby)

Do you want it fast or slow? (Give it to you all night)

Cuz I get so excited baby, when you're taking off my clothes. (Damn)

Time and time again I done try to be the girl in your life.

Boy I know you're feeling lonely. (Not no more)

So if you want it boy, just come over boy

And I promise you won't ever wanna leave.

[Chorus]

You should stay another night with me. (I just want your body baby)

Oh woahh.

A one night stand is all I need. (All I need)

Just you and me.

(Baby you) You should stay another night with me.

Oh woahh. (Only want you to stay until the morning come)

A one night stand is all I need.

[Chris Brown]

Tell me how it feels, when your man don't please you right.

And tell me how it feels, after I take you on this ride.

Oooo I got the remedy girl.

I'll be your fantasy

Girl, Imma kiss from your head to your feet yeah

Satisfaction guaranteed. Woahhhh

Girl I didn't come to tease ya.

I just wanna please ya.

Hope you like it.

[Keri Hilson]

I know you wanna be loved

Maybe we can make some

Boy I think that you should stay

[Chorus]

You should stay another night with me.

Oh woahh. (I just want your body baby)

A one night stand (night stand) is all I need. (With you and me) Just you and me.

(Baby you) You should stay (Ohhh) another night with me. (Stay until the morning come)

Oh woahh. (Stay until the morning come)

A one night stand is all I need. (Ohhh)

[Chris Brown: Talking]

Baby, he ain't treating you right.
And I know he ain't hitting it right.
That's why you need me in your life baby.
Come here. Let me kiss on your neck
Down to your chest.
To your navel
All over all the way
So stay here another night

[Outro]

You should stay another night with me
A one night stand is all I need
