

The alchemist

Kerion

sometimes wizard or scholar of the secret forces of darkness
looking for absolute...knowledge in the depths of cosmos
he has found the power and

now the breath of life is growing fast inside the heart of his
sons
made of stone

somehow the cycle of life, death and rebirth he wanna control
living around the edges of magic and the timeless realm
he has found the answers and

now the breath of life is growing fast inside the heart of his
sons
made of stone
