

# Beautiful Day

Kerli

Someone is smiling  
Someone cries  
Whatever it is it's alright  
Someone is born  
And someone dies  
Something is holding the light

It's standing in the line now  
Standing in a line now  
Standing here right now for you  
Everything you do now  
Everything you are now  
Creating it right now for you

It's a beautiful day  
The sun's coming up  
The sun's going down for you  
It's a beautiful day  
And everyone sees the world's turning round for you

There's no need to be afraid  
There is no need to deny  
That everything is on this way  
Life's going on in you mind

It's standing in the line now  
Standing in a line now  
Standing here right now for you  
Everything you do now  
Everything you are now  
Creating it right now for you

It's a beautiful day  
The sun's coming up  
The sun's going down for you  
It's a beautiful day  
And everyone sees the world's turning round for you

It's standing in the line now  
Standing in a line now  
Standing here right now for you  
Everything you do now  
Everything you are now  
Creating it right now for you

It's a beautiful day  
The sun's coming up  
The sun's going down for you  
It's a beautiful day  
And everyone sees the world's turning round for you
