If your life's too white, if it's all too bright, make it yello $\ensuremath{\mathtt{w}}$

If it's all too deep, if the slope's too steep, make it shallow never make your life up here better than it is.

All black and yellow, black and yellow to me. All black and yellow, black and yellow to me.

If it's all too dark, there's a brighter part, it is yellow if you've lost your track let it all turn black, grave's too sh allow

never make your life up here better than it is.

All black and yellow, black and yellow to me. All black and yellow, black and yellow to me.

It hurts and it kills, the life we're in. it hurts, it thrills, you lose to him, to him.

all black and yellow, black and yellow to me. all black and yellow, black and yellow to me.

If it's all too deep, if this hole's too steep make it shallow and if you've lost your track let it all turn black, grave's to o shallow
