

Bubble Gum

Kerli

Hey shopkeeper!
Can I have some of the yellow, some of the pink
Some of the music in the monitors louder

Ah huh, ah huh
I got so many to choose from
I keep it chewing for days
And I won't share with the classroom
Don't give a fuck what you say

Got every kind you can think of
I can't just have only one
I wanna double my pleasure
I wanna double my fun

You want it I got it
I'm not gonna give it up

You want it I got it
I'm not gonna give you

Bubble bubble bubble gum
bubble yum yum

Bubble bubble bubble gum
bubble yum yum
You want it I got it
But your not gonna get none
From my bubble bubble gum, gum
Bubble yum

I blow them as big as I can
Create a total eclipse
And when they pop
I lick the bubble yum off of my lips

And when they lose all their flavor
I stick them under my seat
Got every shade of the rainbow
Wrigley's jealous of me

You want it I got it
I'm not gonna give it up

You want it I got it
I'm not gonna give you

Bubble bubble bubble gum
Bubble yum yum

Bubble bubble bubble gum
Bubble yum yum
You want it I got it
But your not gonna get none
From my bubble bubble gum, gum
Bubble yum

Blow as big as I can
Blow as big as I can
Blow as big as I can
Blow as big as I can

Ah huh, ah huh
Bubble bubble bubble gum
bubble yum yum

Bubble bubble bubble gum
bubble yum yum
You want it I got it
But your not gonna get none
From my bubble bubble gum, gum
Bubble yum

Bubble bubble bubble gum
Bubble yum yum

Bubble bubble bubble gum
Bubble yum yum
You want it I got it
But your not gonna get none
From my bubble bubble gum, gum
Bubble yum
