

# I'll Find You

Kerli

I feel screaming, pleading  
I see the ending  
Don't you worry  
You won't be alone  
I will be in Eden with you

When it all comes crashing down  
And it's winter all year round  
And the sky is fire red  
And the world is  
Just a shelter underground  
When there's nothing left to lose  
And the lost cannot be found  
I'll find you

I will bathe you  
Lay you in warm sheets  
Sing you to sleep  
And as the earth quakes  
And poison rivers run  
I will kiss all you tears away

When it all comes crashing down  
And it's winter all year round  
And the sky is fire red  
And the world is  
Just a shelter underground  
When there's nothing left to lose  
And the lost cannot be found  
I'll find you

I'll find you

When it all comes crashing down  
And it's winter all year round  
And the sky is firing  
And the world is  
Just a shelter underground  
When there's nothing left to lose  
And the lost cannot be found  
I'll find you

I'll find you
