

## Last Breath

Kerli

Reaching for your heart,  
breaking through the ground  
I blossom in your arms.  
Please, don't cut me down.

I would die for your love.  
Would you die for my love?

If you were falling  
somewhere down to a fast death,  
if you were drowning,  
I would give you my last breath.

Reaching for your heart,  
pressing through the crowd,  
glowing in the dark...  
Can you find me, now?

I would die for your love.  
Would you die for my love?

If you were falling  
somewhere down to a fast death,  
if you were drowning,  
I would give you my last breath.

I would die for this.  
I would die for you.  
Would you die for it?  
Would you die for me, too?

If you were falling  
somewhere down to a fast death,  
if you were drowning,  
I would give you my last breath.
