

Nature Boy

Kerli

There was a boy
A very strange enchanted boy
They say he wandered very far, very far
Over land and sea

And then one day
A magic day he passed my way
And while we spoke of many things, fools and kings
This he said to me
"The greatest thing
You'll ever learn
Is just to love
And be loved
In return"

(Instrumental interlude)

There was a boy
A very strange enchanted boy
They say he wandered very far, very far

Ahhhhhhh
The greatest thing
You'll ever learn
Is just to love
And be loved
In return
