

Scar Tissue

Kerli

Turn my back to the door
Feel so much better now
Don't even try anymore
Nothing left to lose
There's a voice that's in the air
Saying don't look back nowhere
There's a voice that's always there

And I'll never be quite the same as I was before this
Part of you still remains, though it's out of focus
You're just somewhere that I've been
And I won't go back again
You're just somewhere that I've been

Breathing in, breathing out
Ain't that what it's all about?
Living life crazy loud
Like a girl's supposed to

No more words in my mouth
Nothing left to figure out
I don't think I'll ever undo
The scar tissue

That's the way I feel tonight
I can't just press delete
Expect the world to make it right
I know that no can do
Got to let the pain just hurt
Try to live and let it burn
Follow, watch the world keep turning

Yeah, and I'll never be like I was, the day I met you
Too naive, yes I was, that's why I let you in
Wear your memory like a stain
Can't erase or numb my pain
Here to stay with me forever

Breathing in, breathing out
Ain't that what it's all about?
Living life crazy loud
Like a girl's supposed to

No more words in my mouth
Nothing left to figure out
I don't think I'll ever undo
The scar tissue

One of these days I'll wake up from this bad dream I'm dreaming
One of these days I'll pray that I'll be over, over, over you
One of these days I'll realize, that I'm so tired of feeling confused
But for now, there's a reason that you're still here in my heart

Breathing in, breathing out
Ain't that what it's all about?
Living life crazy loud
Like a girl's supposed to

No more words in my mouth
Nothing left to figure out
I don't think I'll ever undo
The scar tissue

Breathing in, breathing out
Ain't that what it's all about?
Living life crazy loud
Like a girl's supposed to

No more words in my mouth
Nothing left for me to doubt
I don't think I'll ever undo
The scar tissue.
