

# Scream

Kerli

All we ever do is the same old thing  
Every day's like rain, every word like thunder.  
All I ever get is a throwaway line  
Never all your heart, never some of your time.

But I'm not afraid to say it to your face, I'm gone  
Not a minute too early.  
Here comes hope delivering back my soul.  
Ooh

So to hell with you and your expectations.  
I can't do nothing, just sit here waiting.  
I'm damned if I do and damned if I don't.  
You'll never been happy; you live to make me scream.  
I wanna scream, 'cause this is me  
And I won't be anything else but me.  
I wanna scream, 'cause this is me  
And I can't be anything else but me.

All you ever sing is the same old lines  
Got a tongue like knives, got a stare like murder.  
I don't even care what you think of me now  
I was never your style and you're way too heavy now

I'm not afraid of breaking these chains right here  
Before you go and kill me  
I'm not right but I'm not wrong, that's fair  
But what do you care?

So to hell with you and your expectations  
I can't do nothing, just sit here waiting  
I'm damned if I do and damned if I don't  
You'll never been happy you live to make me scream  
I wanna scream, 'cause this is me  
And I won't be anything else but me  
I wanna scream, 'cause this is me  
And I can't be anything else but me

It's like I'm a prisoner, waiting for my redemption  
What did I do to you, earn myself a conviction  
That's just the way that I am, not just a grain in the sand  
I got a heart in my chest, chest, and it's restless

And it's restless

I wanna scream, I wanna scream, 'cause this is me  
And I won't be anything else but me  
I wanna scream, 'cause this is me  
And I can't be anything else but me

Scream, I wanna scream, 'cause this is me  
And I won't be anything else but me  
I wanna scream, 'cause this is me  
And I can't be anything else but me
