

# Sugar

Kerli

Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, treat me forever, ah

Let me melt your solid heart  
I'll let you skip it super good  
Straight to the best part  
Rushing free, ooh, passion, ah

Baby, I got such a crush  
Pour another candy shot  
I just wanna' feel the rush  
Rushing free, passion, ah

Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, treat me forever, ah  
Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, la ah ah

Stir it up inside of me  
Consoling me with every touch  
I think I'm gonna' OD  
Rushing free, passion, ah

Feed me with a silver spoon  
Can you make it nice, now?  
Triple-x, me and you  
Rushing free, passion, ah

Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, treat me forever, ah  
Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, la ah ah

Sugar, like sugar  
Like sugar, like sugar

Coat me in kisses, in kisses, in kisses  
I'll do whatever you want to do  
Coat me in kisses, in kisses, in kisses  
I'll do whatever you want to do

Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, treat me forever, ah  
Ooh la la, ah, be sweet like sugar, ah  
Ooh la la, ah, la ah ah
