

Supergirl

Kerli

You don't wanna see
Everything that I can be
You say I'm not pretty
That no one else would fall for me

You're like a bully on the playground
You just can't let me live
Treat me like I'm unworthy
Doing things I can't forgive

But go look in the mirror
After you drop your key
And see that all your sorrow
Sure ain't because of me

Don't say a word
I know you don't mean it
And if you do I won't believe it

I won't be hurt
For another minute
You'll be making me a Supergirl

Supergirl, Supergirl
Supergirl, Supergirl

Who told you it was fine
For you to go and trash our place
You really crossed the line
When you barely missed my face

Don't bring me flowers in the morning
I've seen it all before
I move and nothing's changing
Here's your shit and there's the door

Don't wanna hear your screaming
Don't need your psycho love
If that's the way you want it
I don't want you anymore

Don't say a word
I know you don't mean it
And if you do I won't believe it

I won't be hurt
For another minute
You'll be making me a Supergirl

Supergirl, Supergirl
Supergirl, Supergirl
Supergirl, Supergirl
Supergirl, Supergirl

Get out my life
Get out my head
No man like you will sleep in my bed

Get out of my room
Get out of my world
Thank you for making me a Supergirl

Don't say a word
I know you don't mean it
And if you do I won't believe it

I won't be hurt
For another minute
You'll be making me a Supergirl

Supergirl, Supergirl
Supergirl, Supergirl
Supergirl, Supergirl
Supergirl, Supergirl

Thank you for making me a Supergirl
Thank you for making me a Supergirl
