

## The Creationist

Kerli

This is an old and funny poem  
I accidentally overheard  
It keeps the little children playing  
And bigger children spread the word  
My memory is bad  
So I always tend to forget how it goes  
But

Life is my creation  
Is my best friend  
Imagination  
Is my defense  
And I'll keep walking  
When skies are grey  
Whatever happens was meant that way

You're no better or no worse than the others  
We are all the same  
And life is just a moment  
You might as well enjoy this day  
It's time to start believing  
That everything you want is on it's way  
And

Life is my creation  
Is my best friend  
Imagination  
Is my defense  
And I'll keep walking  
When skies are grey  
Whatever happens was meant that way

We'll be growing  
Into knowing  
While we're floating  
Keep on going
