

Walking On Air

Kerli

There's a little creepy house
In a little creepy place
Little creepy town
In a little creepy world
Little creepy girl
With her little creepy face
Saying funny things that u have never heard

Do you know what it's all about
Are you brave enough to figure out
Know that you could set your world on fire
If you are strong enough to leave your doubts

Feel it
Breathe it
Believe it
And you'll be walking on air
Go try
Go fly
So high
And you'll be walking on air
You feel this
unless you kill this
Go on
And you're forgiven
I knew that
I could feel that
I feel like
I am walking on air

She has a little creepy cat
And a little creepy bat
Little rocking chair and an old blue hat
That little creepy girl
Oh she loves to sing
She has a little gift
An amazing thing
With her little funny eyes of hazel
With her little funny old blue hat
She will go and set the world on fire
No one ever thought she could do that

Feel it
Breathe it
Believe it
And you'll be walking on air
Go try
Go fly
So high
And you'll be walking on air
You feel this
unless you kill this
Go on
And you're forgiven
I knew that
I could feel that
I feel like

I am walking on air

Flitter up
and Hover down
Be all around
Be all around

You know that I love you, go on

Feel it
Breathe it
Believe it
And you'll be walking on air
Go try
Go fly
So high
And you'll be walking on air
You feel this
unless you kill this
Go on
And you're forgiven
I knew that
I could feel that
I feel like
I am walking on air
