

# When You Cry

Kerli

When we met it was almost summer  
And at night we heard crashed oceans all the time  
And the rain made a crash like thunder  
I want to sleep but you brought me back to life

Cause baby we are one and the same  
When you cry I cry

And I feel all of your pain  
When you cry I cry

So if we fall apart  
We can't go any any more

Cause we are one and the same  
When you cry I cry

In the past it felt so good too good  
In the past I already knew your taste  
You're the one out of all the millions  
It's more than that you minuscule to wait

Cause baby we are one and the same  
When you cry I cry

And I'll feel all of your pain  
When you cry I cry

So if we fall apart  
We can't go any any more

Cause we are one and the same  
When you cry I cry

When you cry I cry  
When you cry I cry  
When you leave don't forget  
You got half of me  
Plea I can hurt your apart of me and  
When you cry I cry

Cause baby we are one and the same  
When you cry I cry  
And nothing over the pain  
When you cry I cry

So if we fall apart  
We can't go any any more

Cause we are one and the same  
When you cry I cry

Don't cry  
Don't cry  
Don't cry (I cry)  
Don't cry  
Don't cry (I cry)

Don't cry  
Don't cry (I cry)  
Don't cry  
Don't cry (I cry)  
Don't cry  
Don't cry
