

# Time For The Show

Kerrie Roberts

Every day's another chance  
Each night the curtain falls down  
And you're asking yourself did I do enough  
Did I show His love

You could be the difference  
Not just a face in the crowd  
Push it to the limit  
Keep on reaching out  
'Cause right here and right now

It's time for the show, turn up your light  
It's time for the show, let it shine  
Because you know who you are  
And know who your heart belongs to, oh  
They need to know this perfect love  
It's time for the show, it comes through us  
Don't wait another minute, let's go  
It's time for the show

There's a stage we're standing on  
Whether we know it or not  
No more waiting in the wings  
Step out and let them see  
That you are free

Deeper than a feeling  
More than words we say  
We can be the real thing  
It's not a role we play  
So right here and right now

It's time for the show, turn up your light  
It's time for the show, let it shine  
Because you know who you are  
And know who your heart belongs to, oh  
They need to know this perfect love  
It's time for the show, it comes through us  
Don't wait another minute, let's go  
It's time for the show

Time for the show, time for the show  
You are the light of the world  
A city on a hill that can't be hidden  
You are the salt of the earth  
Glorify your Father in Heaven  
A billion tiny flames breaking through the dark  
Show His love, show His mercy, show His heart

It's time for the show  
It's time for the show  
Because you know who you are  
And know who your heart belongs to, oh  
They need to know this perfect love  
It's time for the show, it comes through us  
Don't wait another minute, let's go  
It's time for the show
