

Remember The Name

Kerser

Yo NEBS, remember I was telling you the other week about,
Gonna buy that house, yeah, well we've got a mate from The Nebulizer
Blew the whole lot on drugs, I shoulda got that house, FUCK

[Verse 1]

I run what I do is rap,
You know the name fall back I'm the truth with that
I'm here right now yeah, see your playing it loud
I met 2Pac once and he gave me the crown
And then Snoop rang up 'like what the fuck?'
I said um, um, you know whats up
He rang back, 'true that',
Yeah I'm telling the truth,
I got the phone-call here I could sell it to you
They say I'm way too cocky but its Kerser man
I'm in Afghanistan with a turban yeah
I could waste a bar, and your still on my dick you can taste it uh
Watch quick, hot shit when I drop this
If you don't cop this I hope you die cock lips
Hot spit, lock lips when my cock tip
Thats the man, Scotts sick, a visit to the doc bitch

[Hook x2]

Put your hands down bitch, I ain't tell you to wave
I'm the Kers Kers Kers, you remember the name
Injure toys, bring that noise
Fuck around here and get your life destroyed

[Verse 2]

Now I grab your misses and I choke the bitch
Cause she said that I'm not dope I said
"She a fucking retard? Tell the bitch I'm the best"
And if she keeps talking now I'll hang a shit on her chest
You ain't heard this, heard that, they spit nerd rap
Me spit words that'll hurt till you burn lad
Rocked up to my hotel, 5 star
Nice bar, ten bitches with 5 bras
Work it out, theres a fair bit of tit true
Sick dude, thats for me, I'mma spit juice
On the face till she freeze like an igloo
Try to open eyes but she can't cause it's stick (ooh)
Thats enough get away from the king
Yeah I'll say it again, I'mma play it to them
Till they realise Kers on top of this shit
And if you already know, get up off of my dick

[Hook x2]

[Outro]

Tell these other rappers that I hate their guts
And ain't no way they can ever hang with us
Tell these other rappers that I hate their guts
And ain't no way they can ever hang with us
Tell your fucking misses I will rape the slut,
Taped up, great butt, and I slayed it cunt
Tell your fucking misses I will rape the slut,
Taped up, great butt, and I slayed it cunt

Hey wait, don't cut me off yet
I'm on drugs, I'm on drugs
Drugs on me, they on drugs
I'm on drugs, I'm on drugs

Drugs, drugs

Nah I'm goin clean from here on in, yep
Fuckin dickheads
