Blow

Dance

Back door cracked We don't need a key We get in for free No VIP sleaze

Drink that Kool-Aid Follow my lead Now you're one of us You're coming with me

It's time to kill the lights And shut the DJ down (This place about to) Tonight we're taking over No one's getting out

This place about to blow, blow This place about to

Now what? We're taking control We get what we want We do what you don't

Dirt and glitter cover the floor We're pretty and sick We're young and we're bored

It's time to lose your mind And let the crazy out (This place about to) Tonight we're taking names 'Cause we don't mess around

This place about to blow, blow This place about to

Go insane, go insane Throw some glitter, make it rain on 'em Let me see them hands Let me, let me see them hands

Go insane, go insane Throw some glitter, make it rain on 'em Let me see them hands Let me, let me see them hands

We're taking over (Blow)

Get use to it, okay (Blow)
