

## Grow a Pear

Ke\$ha

Last night I had enough of you  
I put down the brakes  
And I could tell you took it hard it was all over your face  
Since you're slipping and flipping  
But here is the stitch  
I signed up for a man  
But you are just a bitch

You should know  
That I love you a lot  
But I just can't date a dude with a vag

When we fell in love  
You made my heart drop  
And you had me thinking 'bout you nonstop  
But you cry 'bout this and whine about that  
When you grow a pear  
You can call me back

Yeah I think you're hot  
I think you're alright  
But you're acting like a chick all the time  
You were cool and now you're not just like that  
When you grow a pear  
You can call me back

When I first met you  
Panties droppin'  
Every time I saw you it was on and  
One day you asked if we can just talk and  
That's the reason why I'm walkin'  
If I am honest I'm just not hooked on your phonics  
I'm not tryin' to be rude or crude  
I just want one thing from you  
And you got confused

You should know  
That I love you a lot  
But I just can't date a dude with a vag

When we fell in love  
You made my heart drop  
And you had me thinking 'bout you nonstop  
But you cry 'bout this and whine about that  
When you grow a pear  
You can call me back

Yeah I think you're hot  
I think you're alright  
But you're acting like the chick all the time  
You were cool and now you're not just like that  
When you grow a pear  
You can call me back  
When you grow a pear  
You can call me back  
When you grow a pear  
You can call me back

Grow a pear  
You can call me back  
When you grow a pear  
You can call me back  
Grow a pear  
You can call me back  
And no I don't want to see your man-gina  
When you grow a pear  
You can call me back

When we fell in love  
You made my heart drop  
And you had me thinking 'bout you nonstop  
But you cry 'bout this and whine about that  
When you grow a pear  
You can call me back

Yeah I think you're hot  
I think you're alright  
But you're acting like the chick all the time  
You are cool and now you're not just like that  
When you grow a pear  
You can call me back
