

Praying

Ke\$ha

"Am I dead? Or is this one of those dreams? Those horrible dreams that seem like they last forever? If I am alive, why? Why? If there is a God or whatever, something, somewhere, why have I been abandoned by everyone and everything I've ever known? I've ever loved? Stranded. What is the lesson? What is the point? God, give me a sign, or I have to give up. I can't do this anymore. Please just let me die. Being alive hurts too much."

Well, you almost had me fooled
Told me that I was nothing without you
Oh, and after everything you've done
I can thank you for how strong I have become

'Cause you brought the flames and you put me through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell

I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying

I'm proud of who I am
No more monsters, I can breathe again
And you said that I was done
Well, you were wrong and now the best is yet to come

'Cause I can make it on my own
And I don't need you, I found a strength I've never known
I've been thrown out, I've been burned
When I'm finished, they won't even know your name

You brought the flames and you put me through hell
I had to learn how to fight for myself
And we both know all the truth I could tell
I'll just say this is I wish you farewell

I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying

Oh, sometimes, I pray for you at night
Oh, someday, maybe you'll see the light
Oh, some say, in life you gonna get what you give
But some things, only God can forgive

I hope you're somewhere praying, praying
I hope your soul is changing, changing
I hope you find your peace
Falling on your knees, praying
