

# Your Love Is My Drug

Ke\$ha

Maybe I need some rehab  
Or maybe just need some sleep  
I got a sick obsession  
I'm seeing it in my dreams  
I'm looking down every alley  
I'm making those desperate calls  
I'm staying up all night hoping hitting my head against the wall

What you got, boy, is hard to find  
I think about it all the time  
I'm all strung out, my heart is fried  
I just can't get you off my mind!

Because your love, your love, your love is my drug  
Your love, your love, your love  
(I said)  
Your love, your love, your love is my drug  
Your love, your love, your love

Won't listen to any advice  
Mamma's telling me I should think twice  
But left to my own devices,  
I'm addicted - it's a crisis  
My friends think I've gone crazy  
My judgment's gettin' kinda hazy  
My sleaze is gonna be affected  
If I keep it up like a love sick crack head

What you got, boy, is hard to find  
I think about it all the time  
I'm all strung out, my heart is fried  
I just can't get you off my mind!

Because your love, your love, your love is my drug  
Your love, your love, your love  
(I said)  
Your love, your love, your love is my drug  
Your love, your love, your love

I don't care what people say  
The rush is worth the price I pay  
I get so high when you're with me  
But crash and crave you when you leave

Hey, so I got a question  
Do you wanna have a slumber party in my basement?  
Do I make your heart beat like an 808 drum  
Is my love your drug?  
Your drug?  
Huh, your drug?  
Huh, your drug?  
Is my love your drug?

Because your love, your love, your love is my drug  
Your love, your love, your love  
(I said)  
Your love, your love, your love is my drug

Your love, your love, your love

Because your love, your love, your love is my drug

Your love, your love, your love

(I said)

Your love, your love, your love is my drug

Your love, your love, your love

Hey, hey, so

Your love, your love, your love, your love is my drug

I like your beard
