

# Bad Boy

Keshia Chanté

Ohhh-o-o-yeah oh -oh yeah

Ring-Ring-Ring, it's the same thing  
Always call me up-Yo gurl how ya been?  
Now I can't breathe, your smothering me - with lovey dovey stuff that I don't need

Please please please won't you tell me, what happened to that cat you used to be?  
Rollin wit the hood, and up to no good  
da te da te da- and misunderstood

Back-back-back up, reverse-reverse  
Cause I - I liked you the way you were (oh yeah)  
Back-back-back up, reverse-reverse  
Cause I'm just tryin' to find out

What happened to the boy he used to be?  
I wish he would come back- come back to me (oh yeah)  
What happened to the boy I used to know?  
Cause he don't come back round here no more.  
What happened to the boy he used to be?  
Can somebody tell me tell me please (tell me please)  
What happened to the boy I used to know?  
Won't cha tell me  
Where'd my bad boy go?  
Where'd my bad boy go? (oh yeah)

Bling-Bling-Bling I don't see no ring.  
So I ain't gotsta go and change everything  
You had it goin on, but no your so gone  
Bringin me flowers, singin love songs

Why-Why-Why do you have to try?  
To be someone else? Your livin a lie  
Lets check yer head, your losin your edge  
Bring back the thug or this thing is dead

Back-back-back up, reverse-reverse (oh)  
Cause I - I liked you the way you were (oh yeah)  
Back-back-back up, reverse-reverse  
Cause I'm just tryin' to find out

What happened to the boy he used to be? (oh yeah)  
I wish he would came back- come back to me (back to me)  
What happened to the boy I used to know?  
Cause he don't come back round here no more.
