Be About Yours

Keshia Chanté

Oooo whatchu want? Tell me now before your time is up Back on the wall posted up You look too damn good to be tryna front OoOo where's your game? Sure looks like you got somethin' to say Playing around I aint got all day So come and take over me

Grab my left and my right hip Keep on and get me dip boy Just go ahead and enjoy Enjoy me so be about

Be about yours, Imma be about (mine)
I know what I want so don't waste you (time)
If you aint tryna step to me or get wit me don't even show your
face cause
I'm on a roll you can't hold me (back)
If you bring it on then i'm good with that
Tonight don't play around cause if you bout yours then it's goi
ng down

Yeah now you understanding I know my looks was so demanding that you couldn't help yoursel f You know it's always better with someone else When you moving baby making me wanna just get crazy The way you handling yours i'm sure You'll have no problem with grabbing

Grab my left and my right hip Keep on and get me dip boy Just go ahead and enjoy Enjoy me so be about

Be about yours, Imma be about (mine)
I know what I want so don't waste you (time)
If you aint tryna step to me or get wit me don't even show your
