Fallen

Keshia Chanté

We was just walking, just smiling and talking Then add to my surprise, got lost in your eyes This time they were different, and I found what it meant After I leaned in, I helplessly fell in Help me I've fallen in love, and now I can't get up Somewhere between your lips, is where I think my heart slipped I tried to catch myself, not even I could have helped myself fr om falling I think that I'm in love In love and I can't see, what's happing to me You blinded my thoughts, from what pain and tears taught See my hearts been broken before, it don't trust love anymore One kiss from you, I just let myself fall right through Got me hypnotized with your magaic spell, I got butterflies can 't control myself Close my eyes at night and I dream of you, it's true, don't kno W what to do Don't stop now Since I let you in You showed me how You showed me how to love again, I've fallen please help me Got me hypnotized with your magic spell, I think that I'm in lo ve Close my eyes at night and I dream of you, I think that I'm in love It's true, don't know what to do, don't stop now, I can't get up Its's true, don't know what to do, don't stop now, I think that I'm in love, in love
