## Sorry

## **Keshia Chanté**

This song is written in a form of a letter, For anyone who has ever been hurt, by that special someone Why you keep telling me that, You ain't never coming back, that's too hard to take, Can you at least hear me out first? Though you think that i'm the worst, I made a mistake I never though I made you feel I didn't care, I know that I have hurt you, but you leaving just ain't fair Here is my apology I'm sorry, for ever thinking of myself Forgive me don't want you loving no one else Stay with me don't want to feel the way you felt Oh no no, no, no, no I'm sorry, for ever thinking of myself Forgive me don't want you loving no one else Stay with me don't want to feel the way you felt Oh no no, no, no Your like nothing that i've had before, I love your name I have let you down and baby i'm the one to blame This letter that i've written isn't something that I do That's why you must believe, that i'm still in love with you This is my apology I can't think right My days seem night 'Cause it's so cold And baby I know that Me alone ain't good I said, me alone ain't good I can't see straight Please heal my fate Don't run away I need you to stay cause Me alone ain't good I said, me alone ain't good Boy, I'm sorry, for ever thinking of myself Forgive me don't want you loving no one else Stay with me don't want to feel the way you felt Oh no no, no, no, no, no, no I'm sorry, for ever thinking of myself Forgive me don't want you loving no one else Stay with me don't want to feel the way you felt Oh no no, no, no, no, no I can't think right

My days seem night 'Cause it's so cold And baby i know that Me alone ain't good I said, me alone ain't good

(Spite, ) What we've gone through (What we've gone through)
I'm incomplete if i don't have you
( I need you right here with me)
My heart aches sence you left and I don't know what to do

I'm sorry, for ever thinking of myself Forgive me don't want you loving no one else Stay with me don't want to feel the way you felt Oh no, no, no, no, no, no, no, no, no,

I'm sorry, for ever thinking of myself Forgive me don't want you loving no one else Stay with me don't want to feel the way you felt Oh no, no, no, no, no, no
