

Colores Para Dolores

Kevin Ayers

White is the color of night
When there's nobody there,
And you sit in your chair,
Getting drunk on despair.

Red is the color it's said
That can drive you insane
With pleasure or pain
It depends on your head.

Brown is the color of skin
That I'd like to be in,
'Cause it doesn't feel right
To be colored so white.

Blue is the color of sky
And I won't even try
To explain how or why,
I'll just show you the sky
Just show you the sky
