

## Girl On A Swing

Kevin Ayers

She's got a feeling for the spring  
I've got another song to sing

Girl on a swing  
Girl on a swing  
Girl on a swing,  
On a swing  
Such a pretty thing

She's not a victim of despair  
She's just a feeling in the air

Girl on a swing  
Girl on a swing  
Girl on a swing,  
On a swing  
Such a pretty thing

She sways, silently she sings  
Her song gives my body wings

Girl on a swing  
Girl on a swing  
Girl on a swing,  
On a swing  
Such a pretty thing
