```
She's got a feeling for the spring I've got another song to sing
```

Girl on a swing
Girl on a swing
Girl on a swing,
On a swing
Such a pretty thing

She's not a victim of despair She's just a feeling in the air

Girl on a swing
Girl on a swing
Girl on a swing,
On a swing
Such a pretty thing

She sways, silently she sings Her song gives my body wings

Girl on a swing
Girl on a swing
Girl on a swing,
On a swing
Such a pretty thing
