

## Oh Wot A Dream

Kevin Ayers

You are the most extraordinary person  
You write the most peculiar kind of tunes  
I met you floating as I was boating  
One Afternoon  
Wasn't it the most amazing meeting  
Surrounded by those monsters from the deep  
You started telling me a funny story, and I fell asleep  
Oh Wot a dream that was  
We went for a glide across the country
