

## Stepping Out

Kevin Ayers

Honey, I just hate  
The way that you treat me, now  
What we had is gone, I know,  
But even so....

Now it's asking too much  
When I want to talk to you;  
After all the talking  
You and I been through  
All that's left are dreams  
Where it still comes true  
And I'm stepping out one,  
Stepping out, two  
Stepping out of my mind,  
Still stepping out with you

I'm stepping out one,  
Stepping out, two  
Stepping out of my mind,  
Still stepping out with you

There's no point, I know  
Talkin' 'bout what we used to have  
What used to be  
Seems so long ago  
You still mean a lot to me.  
Ooh, I've tried  
Maybe too many times  
To find a place  
But you took something with you  
That's impossible to replace.  
And I'm lost in a dream  
Without time or space.

I'm stepping out, one, etc.

I just can't stand, etc.

And I'm left with dreams  
Where it still comes true.
