

# She's The Sorta Sheila

Kevin Bloody Wilson

Well there ain't many sheilas where I come from  
But she's the sorta sheila for me.  
'N' they recon I got the ugliest one  
But she's the sorta sheila for me.  
'N' if ya had a dog that looked like that  
You'd shave its arse 'n' teach it to walk backwards  
But you couldn't teach an animal to fuck like that  
So she's the sorta sheila for me.

Yeah, she's the sorta sheila for me  
She's the sorta sheila for me  
She ain't no fuckin' oil paintin' but  
She's the sorta sheila for me.

Well there's no politically correct word for fuckin'  
fat  
But she's the sorta sheila for me.  
Bloke wants to root her gotta follow a map  
But she's the sorta sheila for me.  
But providing I can get drunk enough  
She's Elli McPherson when I'm upin 'er  
And even Wayne Kerry wouldn't bother tryin' to fuck 'er  
But she's the sorta sheila for me.

Yeah, she's the sorta sheila for me  
She's the sorta sheila for me  
She ain't no fuckin' oil paintin' but  
She's the sorta sheila for me.

She's got B.O. and she's got bad breath  
But she's the sorta sheila for me.

She looks like a buffalo wearing a dress  
But she's the sorta sheila for me.  
She picks her nose and she's always fartin'  
Got saggy tits and a saggy arse  
But I tell ya what mate I'm fuckin' laughin'  
But she's the sorta sheila for me.

Yeah, she's the sorta sheila for me  
She's the sorta sheila for me  
She ain't no fuckin' oil paintin' but  
She's the sorta sheila for me.

Yeah, she ain't to pretty and she ain't to bright  
But she's the sorta sheila for me.  
She chews tobacco and she smokes a pipe  
But she's the sorta sheila for me.  
She's got the uglies and she's got the stupids  
Mate two short planks look like a computer  
And I gotta do this to get the courage up to root 'er  
So she's the sorta sheila for me.

Yeah, she's the sorta sheila for me  
She's the sorta sheila for me  
She ain't no fuckin' oil paintin' but  
She's the sorta sheila for me.

Yeah, she's the sorta sheila for me  
She's the sorta sheila for me  
She ain't no fuckin' oil paintin' but  
She's the sorta sheila for me.

Yeah you know the best bit is she's deaf 'n' dumb  
And her old man dropped dead and left her a pub  
So I'm not as fuckin stupid as you thought I was

She's the sorta sheila for me.  
She's the sorta sheila for me.  
She's the sorta sheila for me.  
She's the sorta sheila for me.
