

## Mandy Lee

Coyne, Kevin

Mandy Lee, Mandy Lee  
A chill running down my frame, yeah  
Well, Mandy Lee, Mandy Lee  
A chill running down my frame  
Won't you come on home  
And love me all over again?

Yeah, Mandy Lee, Mandy Lee  
You're turning my heart aflame, yes  
Oh, Mandy Lee, Mandy Lee  
You're turning my heart aflame  
You got me hot, sick and weary  
'Cause you won't call my name

Oh Mandy Lee, Mandy Lee  
Oh baby I'm sick inside  
Oh Mandy Lee, Mandy Lee  
Oh baby I'm sick inside, yeah, yeah, yeah  
You took a Northbound train  
And you didn't say goodbye

Oh yeah come on, oh that's good  
Oh come on, right, one more time

Mandy Lee, Mandy Lee  
I'm crawling all over the floor  
Oh, Mandy Lee, Mandy Lee  
I'm crawling all over the floor  
Oh, I'm so tired baby  
You don't love me no more, yeah

Oh, Mandy Lee, Mandy Lee  
Chill running down my frame, yeah yeah yeah  
Mandy Lee, Mandy Lee  
Chill running down my frame  
Yeah, why won't you come on home  
And love me all over again?
